Bible was first possessed by Uriah & Julia Ann (Coppersmith) Warner, then by Uriah and his second wife, Mary Catharine (Porter). After Uriah died, Mary remarried and entered the data for her second husband, Reuben Sidwell Baker, and his first wife and their children. Then, the entries continued for Mary's children with her second husband.

Mary and Uriah's granddaughter, Ruth, the daughter of Bessie, who married Marshall Smith, then obtained possession of the bible and notated their dates.

The Photos below are of Uriah S Warner's home Place as location told to us by Ruth Smith

I had just got a cannon 35 mm camera, thank goodness  
or we would not have these Bible photos today, Glenn

A photograph showing two men in suits standing in a wooded area. The man on the left is wearing a dark suit, and the man on the right is wearing a light-colored suit. They are standing in front of a large, overgrown stone structure, possibly a ruin or a large chimney, which is heavily covered in vines and other climbing plants. The background consists of bare trees and a hazy sky, suggesting a late autumn or winter setting.
